

CYNGOR CYMUNED LLANISMEL ST ISHMAEL COMMUNITY COUNCIL

HERE TO HELP

We know that COVID-19 will mean changes to all of our lives over the next few weeks and the St Ishmael Community Council would like to encourage you all to look out for your friends and neighbours during this time, and ensure that anyone needing to self-isolate has a support network in place.

We understand that this is not always possible or that your usual support system may be unavailable. As a means of ensuring that those affected do not go without vital supplies, St Ishmael Community Council is aiming to co-ordinate a volunteer response providing practical help for those affected.

Practical support will include shopping for food, collecting medication, dog walking, posting letters and other errands required for day to day living. We would also like to offer our services to anyone who may be self-isolating and would appreciate keeping in touch with someone over the phone.

If anyone is prepared to volunteer, with all or any of these tasks, please contact me on 07825 003648 or you can email clerk.stishmaelscc@gmail.com or contact Cllr Gloria Squires on 01267 267477.

If you need our help, please contact Julie on 07825 003648 or Gloria on 01267 267477 and we will do our best to assist you.
